

Dear Friends,

**Question: this year, will you remember the Shoah, the Holocaust?
Will you be willing to take the Yellow Candle pledge?**

We light this yellow candle to:

1. remember the six million souls lost;
2. express gratitude that our own children have never known firsthand of these horrors;
3. show the world that we remember, and so should they;
4. honor those who have no one left to light a candle for them.

Last year, we had over 200 Midway families take the Yellow Candle Pledge, and thus remember the Shoah. This year we would love to see even greater Midway participation. **We ask that you take the Yellow Candle Pledge, and light the candle at the beginning of Yom HaShoah, Holocaust Memorial Day, the evening of Sunday, April 23.**

Let us know that you will be lighting the candle by responding to this e-mail. We'll periodically let you know who has taken the pledge.

Be sure to pick up your yellow candle in the synagogue lobby or main office. You may also e-mail the Men's Club at mjcmensclub@gmail.com or call the synagogue's office at 516-938-8390 if you need a yellow candle delivered to you.

Together, we'll ensure that future generations NEVER FORGET.

Sincerely,

David Sieradski
Chair, Yom HaShoah
Yellow Candle Program
